Catalonia:> is home to some of the best chef's and gastronomy travel in the world,

> has majestically beautiful mountain regions providing year around play including hiking, biking, and skiing,

> has a list of wonderful Golf Courses,

> world famous ancient architecture in towns throughout the region,

> is home to where Salvador Dali lived and painted,
(many of his originals are in museums here).

> offers duty free shopping next door in Andorra,
(a tiny country that most US citizens have never heard of)...

this little country is the place that the rich come to shop - as it features some of the most famous boutique shops in the world.

> has incredible white sand beaches + craggy-rocky Mediterranean Shoreline Vistas! The price is right! BOOK
