PRE-PLAN YOUR WEDDING and YOUR HONEYMOON

Wedding planning often becomes the focus of a bride... leading her and her groom to forget the importance of early honeymoon planning.

As with weddings... dream honeymoons do not happen by chance at the last minute...

In order to insure the honeymoon is as memorable as the wedding, the couple needs to start planning their honeymoon the day after they set their wedding date!

Wedding Planning and Honeymoon Planning are like cake and frosting... they are always better together!

If a couple starts their honeymoon planning early, CM TRAVEL 4FUN can provide financial opportunities and travel benefits assuring the couple has a fantasy wedding... and a dream honeymoon.

Learn how and why here:THE 4 "TO-DO'S" OF HONEYMOON PLANNING THE HONEYMOON TRAVEL BRIDAL REGISTRY

A Honeymoon Travel Bridal Registry should be the first bridal registry a couple arranges.

CM TRAVEL 4FUN offers couples a choice of 2 complimentary Honeymoon Travel Bridal Registries.

OPTION 1... THE CM TRAVEL 4FUN HONEYMOON TRAVEL REGISTRY

The first option provides 100% freedom on how and where the gifted money is spent. This registry provides a Honeymoon Travel Registry web page, plus a second Wedding web page.

The web content created by the couple for inclusion in these web pages... and when, where, and how the gifted funds

are spent... are both determined by the wedding couple.

This registry also includes an option to link all other online bridal registries the couple creates into their Honeymoon Travel Registry web page. This provides friends and family a single web site resource that contains all of the couples gift giving suggestions and gift registry links.

OPTION 2: THE SANDALS WEDDING and HONEYMOON TRAVEL REGISTRY

The second option is a Sandals Honeymoon Travel Registry. This registry directs gifted money specifically to the couples honeymoon experience at a Sandals Resort.

Sandals offers a unique wedding-honeymoon combination package called a "WeddingMoon". The WeddingMoon package offers the same access to Sandals Wedding Design Software and Sandals Professional Wedding Planner Support... but includes planning a Sandals Honeymoon as a part of the Wedding Design Process. Learn more here:[SANDALS "WEDDINGMOON"](#)

The Sandals Honeymoon Travel Registry is designed to support the WeddingMoon package as well as stand-alone Honeymoon Packages at any Sandals Resort. This registry has a list of bells and whistles including: Wedding Web Site, Wedding Blog, e-Mail Announcements, RSVP Tool, Online Photo Album, Links into Social Media, and more!

When adding a Sandals Honeymoon to a Sandals Wedding, the Sandals Registry becomes the Honeymoon Travel Registry of choice for most couples.

HONEYMOON TRAVEL REGISTRY ADVISORY:When a wedding couple makes it easy and fun for friends and family to give gifts... they give much more freely! Designing and activating any Honeymoon Travel Registry... is one of the best investments a wedding couple can make!
